- 1. In Prague-Zizkov, the air raid shelters which are located in the Vitkov hill have been removated and enlarged. The shelters were built by the Germans during World War II. The Posista firm, a branch of the CSSZ (Czechoslovak Construction Works, National Corporation), is in charge of the reconstruction.
- 2. In Prague-Vinohrady, near the railway tunnel under Belehradska Street, the air raid shelters are being put in order and covered on the outside by camouflage paint. The work on these shelters is being done by soldiers.
